

# Giving NeST feet ...

Institutional  
framework – a  
knowing and  
doing hub?

Resourcing –  
skills, will,  
space and  
money?

Coordination –  
of SSC research,  
methodology  
and approaches?

Purpose and  
possible outcomes –  
knowledge about  
SSC in theory and  
practice?

Partnerships  
and networks –  
global, regional  
and local?

## ↳ NEXT STEPS

- ⌘ SSC framework through different processes, in different ways (Africa – RECs, African Union and Nepad (ApDev as knowledge hub)

## ↳ RESEARCH

- ⌘ Use framework but looks at two areas: 1) existing research and what it tells us, and 2) new research on the gaps.

## ↳ CONTRIBUTION

- ⌘ As NeST keep focused on frameworks, comparative systematic knowledge development,

## ↳ CAPACITY

- ⌘ Skills, will and space (partnership on existing and new)

## ↳ SUPPORT

- ⌘ Understanding what SSC is and how to enhance value of cooperation for development
